Notes:

Zaeracami Carino:

I am very happy with the robust communication and excellent design Cami brought to the team. She was responsive to digital and in-person communication, reviewed pull requests in a timely fashion, and made our GUI look amazing. Cami has been an incredibly reliable and valuable team member.

Edward Cui:

Edward has been an excellent team member. Aside from being an excellent communicator and designer, the feedback he left on each pull request was thoughtful and resulted in a better final result. He reviewed pull requests and responded to communication in a timely manner. Edward has been an incredibly reliable and valuable team member.
